DETAILED ACTION

This office action is a response to the restriction requirement and amendment filed on 4/19/2004.

Response to the Restriction Requirement

1. Applicant's election of Group I, claims 1-10 on 4/19/2004 is acknowledged.

Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

NOTE: The product by process, claims 11 and 12 including newly submitted claims 13-32, as claimed can be made by another and materially different process such as without a process of patterning a coil pattern in the mask material, baking the mask material and removing the mask material. According to MPEP, the product by process claims are not limited to the manipulations of the recited steps, only the structure implied by the steps (SEE MPEP 2113 [R-1]).

2. Claims 11-32 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse filed on 4/19/2004.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided

Art Unit: 3729

by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Kennedy on 5/13/2004.

The application has been amended as follows:

IN THE SPECIFICATION

Change the title to --A METHOD FOR MANUFACTURING A MAGNETIC WRITE ELEMENT--.

IN THE CLAIMS

Re. Claim 1: After the phrase "depositing a mask material" as recited in line 9, delete the phrase "onto said seed layer".

After the phrase "shallower than" as recited in line 14, change the phrase "that" to --a depth--.

Re. Claims 2-10: Before the phrase "method" as recited in line 1, change the phrase "A" to --The--.

Re. Claim 3: Before the phrase "wherein" as recited in line 1, change the phrase "1" to --2--.

Re. Claim 8: Before the phrase "outermost portion" as recited in line 2, change the phrase "the" to --an--.

4. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose the claimed invention such forming a trench in the mask material adjacent the coil pattern formed in the mask material, the trench having a depth that is smaller than a depth of the coil pattern. It is not obvious taken alone or in combination of other references fairly to suggest the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Claims 1-10 are allowed.

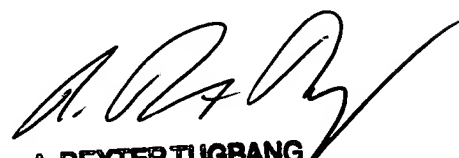

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul D Kim whose telephone number is 703-308-8356. The examiner can normally be reached on Tuesday-Friday between 8:00 AM to 5:30 PM.
